Terms . . . Conditions . . . Guarantee

1. The terms of this sale are cash.
2. Each animal will be at purchaser's risk as soon as bid off but will not be delivered until settlement has been made. Cattle will be cared for and loaded on cars or trucks free of charge, but at purchaser's risk of loss or injury.
3. The Sni-A-Bar Herd is Federally Accredited for Tuberculosis (Certificate Number 52940). All animals in the sale have been tested for Bang's Disease within 30 days of the date of the sale and health certificates will be furnished. Calfhood vaccination for Bang's Disease has been practiced in the Sni-A-Bar Herd and vaccination certificates will be furnished.
4. A certificate of registry and transfer will be furnished for each animal sold as a separate lot and properly signed applications will be furnished for the registry of all calves at foot and all unborn calves.
5. All bulls in this sale are guaranteed to be breeders if not allowed to run with the herd and if maintained in as good condition as when purchased. In case a bull fails to meet the guarantee, notice must be given within six months of the date of the sale. The purchase price, without interest, will be refunded in case bulls fail to meet the guarantee and the disposal of the animal will be at the option of the seller.
6. Cows with calves at foot are considered breeders and no further guarantee is given. Females that have passed two heat periods will be guaranteed in calf to the service named. In case such service is broken, a cash refund of 25% of the purchase price will be made. Any female not in calf to the service named must be reported within sixty days of the date of the sale. Females with service dates of less than two heat periods are believed to be in calf but are not so guaranteed and no refund will be given in case of broken service. Any change in breeding date from that reported in the catalog will be announced from the auctioneer's box. All females over 16 months of age will be guaranteed to be breeders. In case a female proves a non-breeder, the purchase price, without interest, will be refunded and the disposal of the animal will be at the option of the seller. Notice of females being non-breeders must be reported within six months of the date of the sale. Any cattle in this sale that are fitted for exhibition purposes by their new owners are excluded from the above guarantee.
7. Announcements from the auction box will take precedence over printed matter in the catalog.
8. The above terms and guarantee constitute a contract between Ralph L. Smith, the seller, and the buyer of each lot. Neither the Sale Manager nor the person delegated as Clerk assumes any liability, legal or otherwise.
9. All persons who attend this sale do so at their own risk and the owner assumes no liability, legal or otherwise, for any accidents that may occur.

Foreword

Having sold the Sni-A-Bar Farms at Grain Valley, Missouri, Mr. Ralph L. Smith finds it necessary to dispose of the entire Sni-A-Bar herd of Scotch Shorthorn cattle . . . one of the largest and most famous herds in North America.

The Sni-A-Bar Herd was established by Col. W. R. Nelson, owner of the Kansas City Star and was operated under the supervision of the trustees of the William Rockhill Nelson Trust for approximately a third of a century. The foundation cattle were selected on the basis of rare individual merit combined with the best of pedigrees. Mr. and Mrs. Ralph L. Smith of Kansas City acquired the farms and the cattle in 1945 and immediately took steps toward further improvement. The choicest animals exposed for sale in the strongest American herds were purchased. Early in 1946, Manager James Napier attended the Perth Sale in Scotland with instructions from Mr. Smith to bring back the best cattle that were available in that country. The shipment included Pittodrie Upright, supreme champion of the 1946 Perth Show; Uppermill Comrade, another of the most promising herd bull prospects in that sale; and approximately twenty females representing Scotland's richest bloodlines. All were added to the herd in order to satisfy the owner's desire to make it one of the strongest collections of breeding cattle in the world. All are included in this dispersion of 203 lots.

That the herd is being dispersed at its peak there can be no doubt because records made at the 1946 International Livestock Show provide positive proof that the production of show ring winners is at the highest point in the history of the herd. For the first time in the history of this great show, one breeder won both the grand championship and the reserve grand championship on the sons of one bull. The breeder was Sni-A-Bar. The bull was Edellyn Campeon Mercury.

A picture shown elsewhere in this catalog illustrates the first prize get-of-sire at the 1946 International. The get as shown

contained the grand champion bull Sni-A-Bar Control; the reserve grand champion bull, Sni-A-Bar Randolph; the first prize senior yearling heifer, Princess Elizabeth; and a grand junior yearling, Sni-A-Bar Rosewood 17th.

Other group prizes won by Sni-A-Bar at this great exposition included: first for three bulls owned by exhibitor; first for two bulls bred and owned by exhibitor; first for pair of yearlings; and champion pair, bull and female, bred and owned by exhibitor. All members of this show herd are to be sold in this dispersion.

With every animal in the entire herd listed, this sale provides the greatest buying opportunity in the history of Shorthorns in America. The famous herd bulls Imp. Pittodrie Upright, Sni-A-Bar Control, Sni-A-Bar Randolph and Imp. Uppermill Comrade will be sold along with twenty outstanding young bulls. There will be thirty daughters of Edellyn Campeon Mercury and thirty better females by one sire never have been included in one auction. There will be twenty-five imported females, the choicest that could be purchased in Scotland. There will be 59 cows with calves at foot. Sixteen of these calves are by Imp. Pittodrie Upright and ten are by Sni-A-Bar Control. There will be 75 females carrying the service of Imp. Pittodrie Upright and 25 more carrying the service of Sni-A-Bar Control, Imp. Uppermill Comrade and Sni-A-Bar Randolph.

There is no loss without some gain. Every lover of Shorthorn cattle will regret the closing out of the famous Sni-A-Bar Herd but all will realize that the complete dispersion of such a herd provides an opportunity to secure seed stock that could not possibly be purchased under other conditions. The founders of Sni-A-Bar made a great contribution to the Shorthorn breed. Ralph L. Smith has made a further contribution . . . and his faith in these cattle has prompted him to back the cattle with liberal guarantees even on the occasion of a complete dispersion. We are encouraged over a statement made recently by him that he will re-establish another equally strong herd when a new location is available and when his other business affairs permit.

Mervin F. Aegerter, Sale Manager.

Sni-A-Bar's Sensational Winnings at the 1946 International Livestock Show

Sni-A-Bar Randolph, reserve grand champion, and Sni-A-Bar Control, grand champion, at the 1946 International. Together they won first prize for the best two bulls, bred and owned by exhibitor. Bred and exhibited by Sni-A-Bar Farms. Both will be sold in this sale. They are Lots 3 and 2 in this catalog respectively.

The first prize get-of-sire at the 1946 International. Bred and exhibited by Sni-A-Bar Farms. Sired by Edellyn Campeon Mercury. All will be sold in this sale. From left to right: Sni-A-Bar Randolph (Lot 3), Sni-A-Bar Rosewood 17th (Lot 33), Princess Elizabeth (Lot 25), and Sni-A-Bar Control (Lot 2).

Sni-A-Bar Control and Princess Elizabeth, champion pair, bull and female, at the 1946 International Live Stock Show. Bred and exhibited by Sni-A-Bar Farms. Both are by Edellyn Campeon Mercury and both will be sold in the complete dispersion of the Sni-A-Bar Herd.

First prize group of three bulls, any age, at the 1946 International Live Stock Show. This group also contains the grand champion bull, the reserve champion bull and the first prize pair of bulls. Two of them will be sold in the complete dispersion of the famous Sni-A-Bar Herd. The third now heads the herd at Koreandale Farms in Kentucky.

Sni-A-Bar Randolph and Princess Elizabeth, both by Edellyn Campeon Mercury, best pair of yearlings at 1946 International. Exhibited by Sni-A-Bar Farms, Grain Valley, Missouri. Both will be sold in this dispersoin.

A Statement From the Publisher of the Breed Magazine . . .

Few indeed are the breeders of Shorthorns today whose experiences with the breed antedate those of the famous Sni-A-Bar herd. Fewer still are the herds that have not been improved and strengthened by an infusion of the blood of one or more of the famous bulls and matrons that are now or have been members of this superb herd. For more than a third of a century the name Sni-A-Bar has been synonymous with breed development and improvement.

Established by the late publisher, business man and philanthropist, W. R. Nelson of Kansas City, for the purpose of demonstrating the advantage of good blood in the production of beef cattle, its field soon was widened to include the production of animals of ideal type, with the inheritance that not only would produce market cattle of supreme quality but would furnish the material for enabling purebred herds to improve.

The original purpose soon was accomplished. By using purebred Shorthorn bulls on the common cattle of the Kansas City market area, steers were produced and fed that topped that great market every time they were sent in. They proved that Shorthorns are superior to all others and that they are more profitable to their breeders and feeders.

Along with this impressive beef demonstration herd was built Sni-A-Bar's famous herd of purebreds that has furnished innumerable first prize winners and champions at America's State, Provincial and National Shows. In 1945, Mr. Ralph L. Smith acquired the real estate and the herd that is Sni-A-Bar. The progress and improvement of the herd did not stop with this change of ownership. Rather they were accelerated. Many of the best females in the leading herds in America and Scotland were added. The greatest bull in Great Britain was procured to head the herd. Everything was done that could be done in an effort to make of the herd the greatest breeding establishment of all time.

During the three or more decades of the existence of the Sni-A-Bar herd, it has been in the custody of James Napier, master cattleman and farmer. To him must go much of the credit for the development of this superb aggregation of Shorthorns. He was presented with a grand opportunity to build superbly and he took the fullest advantage of that opportunity. His name will appear in livestock history as one of the great builders of the breed.

The dispersal of the Sni-A-Bar herd presents an unsurpassed opportunity for others to procure the material upon which to build famous and profitable future breeding establishments.

—WILL JOHNSON

of The Shorthorn World.

A Statement From the Manager of Sni-A-Bar Farms . . .

It has been my privilege and my pleasure to have been associated with the noted Sni-A-Bar organization and to have been responsible for the care and development of its famous Shorthorns since the herd was started almost forty years ago by that grand, public spirited man, the late W. R. Nelson. The time seems short because under Mr. Nelson, later under his daughter and son-in-law, the late Mr. and Mrs. I. R. Kirkwood, and still later with the cooperation of the trustees of the W. R. Nelson Estate, there always was much to do and a well planned and progressive program to be followed

I cannot remember any time during the herd's existence when improvement was not being made or plans were not under way for further improvement. When Mr. Ralph L. Smith purchased the herd, I was given the pleasurable opportunity and responsibility of selecting two great bulls and a score of splendid females from some of Scotland's famous breeding establishments. All of these are listed in this catalog and buyers will have the opportunity of acquiring them. It is my conviction that they, like the rest of the Sni-A-Bar herd, will do a great deal to improve other American herds.

During the years that I had the care of the Sni-A-Bar herd there has been much satisfaction in producing the great show herds that annually have been among the leading winners in the most prominent fairs and livestock exhibitions in the United States and Canada. Perhaps still greater pride and pleasure has been derived from the success of the many patrons of Sni-A-Bar with herd bulls and breeding matrons that were produced in the herd. The constructive breeding program that I have been permitted to develop and to pursue and the favorable results of that program have been a source of pleasure and the utmost of compensation for the years of effort that I have devoted to this grand herd of Shorthorns.

Naturally, it is with regret that I relinquish my stewardship of this herd and see it dispersed, but, knowing these cattle as I do, I realize that many of my friends in the Shorthorn industry will be gainers by purchasing at this sale, because every animal in the herd is a potential source of profit for American breeders.

Sni-A-Bar Shorthorns are prolific cattle. They have bred into them and will pass on to their descendants the best characteristics of the world's most useful breed. They will improve other herds and will be profitable to their new owners.

—JAMES NAPIER

Manager, Sni-A-Bar Farms.

*Here's what a livestock judge
of international repute says:*

Mr. Mervin Aegerter, Sale Manager
Seward, Nebraska:

Dear Merv:

I am happy to tell you what I think of the Sni-A-Bar bull Pittodrie Upright. You know I saw the bull when he was shown at Perth a year ago in February. I believe that he was easily Supreme Champion of that show. He then was a calf that looked like he had about all the things that we want in a Shorthorn bull. I saw this bull again on the 21st of February of this year. I certainly was pleased with his development. He is low down, has a lot of bone, is tight in his frame, very thick and very smooth. If I ever saw a stock bull, I think Pittodrie Upright is it. Incidentally, I saw the first calf sired by him, a red bull calf out of one of Sni-A-Bar's imported heifers. If the rest of the calves are as promising as this calf is at a few days of age, then I think Upright has proved his right to take his place among the great Shorthorn bulls in America.

Sincerely yours,

A. E. DARLOW

Head Animal Husbandry Department

Here is the first calf by the 1946 Perth Supreme Champion Imp. Pittodrie Upright. This bull calf is out of the great imported cow Millhills Butterfly 4th and will sell at foot with her. See Lot 55.

IMP. PITTODRIE UPRIGHT 2380873

and his first calf.
(See Lot 55)

Imp. Pittodrie Upright is too widely known to need extended comment. After winning the Supreme Championship at the 1946 Perth Show in Scotland, he was purchased by Sni-A-Bar Farms at the highest price on record for a bull of any beef breed. The purchase price in the Perth Sale was 14,500 guineas and the cost when laid down in this country was approximately \$65,000. In the same Perth Sale another half brother was sold for \$14,000. Thus his sire, Bapton Upright, has the distinction of siring the two highest priced beef bulls on record. Five bull calves sired by Bapton Upright in the 1946 Perth Sale made an average of \$30,287.88.

The dam of Pittodrie Upright was sired by Aldie Keystone whose crop of bull calves at Perth in 1943 won the supreme championship, junior championship, best group of three and best group of three by one sire.

Imp. Pittodrie Upright is as nearly a perfect beef bull as has ever been used in this country. The first four calves by him were born before this catalog went to press. All are solid reds and all are excellent! About 16 of his calves will arrive by sale day and all will sell with their dams. Seventy-five other females in this sale carry his service and many of them will deliver early calves to their new owners.

The eyes of the entire beef cattle world will be focused on the new owner of Imp. Pittodrie Upright. Surely fame and fortune will follow him. Who will it be?

SNI-A-BAR CONTROL As a calf

and in the form that won him the 1946 International grand championship.

Sni-A-Bar Control has been a great bull since the day he was born. Never has the management of Sni-A-Bar wavered in its decision to retain him as a herd bull and flattering offers have been refused in order that he might reproduce his kind in the herd where he was produced.

His record has few equals in show ring history. He won highest honors consistently as a calf, as a yearling and as a two year old. In 1946 he was the undefeated grand champion, winning this honor at both the American Royal and International Shows. Also, he had the distinction of holding a place in the first get-of-sire group, first prize two bull group, first prize three bull group; and first prize pair, bull and female.

As an individual he has won the admiration of beef cattlemen of all breeds. As a sire he is proving excellent! About ten of his calves will be sold with their dams in this sale and they are a clear indication that he is one of the great young sires of the day. Who will be the fortunate new owner of this 1946 International grand champion bull?

Sni-A-Bar Randolph

Sni-A-Bar Randolph was the reserve champion bull at the 1946 International Live Stock Exposition and a member of the first prize get-of-sire, pair of yearlings, two bull group and three bull group. Jim Napier said, "I always wondered, when showing both bulls, whether Sni-A-Bar Control would be able to win." He is a wonderful individual, his pedigree is strong, and he should be one of the great sires of the future. A number of females in the sale carry his service. This grand young bull can and should be shown this year because he has already proved his ability to win top honors.

Imp. Uppermill Comrade

Uppermill Comrade is one of the top imported sires of the day. After determining by inspection that his dam was the best cow in the famous Durno herd, Jim Napier bought this bull with the feeling that he was one of the most promising young sire prospects in the 1946 Perth Sale. He is a direct son of the noted Aldie Conqueror. He is a half brother to such famous bulls as Collynie Elect and Collynie State Express. His dam is by the Perth Champion Imp. Royal Rothes. The ten calves you will see on sale day are convincing proof of his ability as a sire. He can be shown with success this year.

Browndale Gift—This three-year-old bull has been used in the grade herd and has also been mated to a limited number of the purebred females. He was exhibited in 1945 and stood up well. One of his daughters is in this sale and is a real show heifer. (See Sni-A-Bar Gipsy 20th).

This group of open heifers will be included in the sale. Nearly all are by Edellyn Campeon Mercury.

The next 30 animals listed in this catalog . . . from Lot 24 through Lot 53 . . . are all daughters of EDELLYN CAMPEON MERCURY, the greatest breeding son of the Perth champion Imp. Calrossie Mercury. Thirty better females by one sire have never appeared in an American sale ring. Note how many of them are safely in calf to Imp. Pittodrie Upright . . . and remember, the resultant calves will have two Perth champions right at the top of their pedigrees.

Princess Susanna—One of the most famous females of the breed. She won the grand championship at Denver two different years and was also grand champion at the Ft. Worth Show. At the Denver Show in 1945, her dam, Gregg Farm Princess, was the senior champion while Princess Susanna was winning the junior and grand championships. Her full sister, Princess Elizabeth, also selling in this sale, was a first prize winner at the International Stock Show in 1946 and grand champion at Denver in 1947. Princess Susanna was bred Sept. 1 to Pittodrie Upright. Her calf will arrive soon and no one can possibly estimate its value.

Princess Elizabeth—One of the most famous daughters of Edellyn Campeon Mercury. She was the first prize senior yearling heifer at the 1946 International Livestock Show. When exhibited with the grand champion, Sni-A-Bar Control, the pair won first prize in class for the best pair, bull and female. She is a full sister to Princess Susanna, a famous champion and she is out of Gregg Farms Princess, also a famous champion. Princess Elizabeth will have a calf by sale day to the service of Imp. Pittodrie Upright. The pair will bring fame to their new owner.

Sni-A-Bar Clipper 51st—Just a calf but a good one. This daughter of Edellyn Campeon Mercury is from a Clipper family that has been on Sni-A-Bar Farms since the herd was started.

IF some far sighted beginner were to buy the ten top heifers in this sale, along with the best bull in the offering, he could make every breeder in the country take a back seat in five years time. He might not have the MOST cattle but he would be certain to have the BEST.

25 Imported Females

The next twenty-five animals listed in this catalog . . . from Lot 54 through Lot 78 . . . are all imported females. They were not purchased for speculative purposes. Each was selected for the purpose of bringing into the Sni-A-Bar herd the very choicest blood of Scotland's most noted herds. One is a half sister to Imp. Pittodrie Upright selling with a dark roan bull calf by the International grand champion Sni-A-Bar Control. Another is a daughter of Millhills Upright selling with a red bull calf by Imp. Pittodrie Upright. Seven of them have calves at foot now. Fourteen others are carrying the service of this famous Perth champion. Females like these are never exposed for sale except in dispersions.

Imp. Pittodrie Rosewood Beauty—One of the best Shorthorn females ever imported. She is by the same sire as Imp. Pittodrie Upright, the Perth champion and the record priced beef bull of all time and herself the second highest priced heifer ever to be imported. Study her picture and her pedigree carefully . . . then remember that she dropped a grand, dark roan bull calf on April 2 to the service of the International grand champion, Sni-A-Bar Control. Truly a valuable pair.

The type we like at Sni-A-Bar. This is Gregg Farm Princess with her many times champion daughter Princess Susanna by Edgelynn Campeon Mercury. She is also the dam of Princess Elizabeth.

The next forty-seven animals listed in this catalog . . . from Lot 79 through Lot 125 . . . are all bred heifers. Many of them were produced at Sni-A-Bar and represent a third of a century of improvement. Some are tops from other strong herds that were acquired by Sni-A-Bar in order to make full use of the best blood available. All have been served to the famous herd sires at Sni-A-Bar Farms and many will deliver calves to their new owners soon after the sale. If this sale did not contain anything but these 47 heifers, it would be one of the very best offerings of the year.

Make your hotel reservations early. Good hotels in Kansas City are listed on page 6 of this catalog. You may either write direct or, if you prefer, the Sale Manager will gladly arrange accommodations for you. Write Mervin F. Aegerter, Sale Manager, Seward, Nebraska.

The next twelve animals listed in this catalog . . . from Lot 126 through Lot 137 . . . are all open heifers. There are only a few of them because it was decided that all calves born after October 1, 1946 should be listed with their dams in this dispersion and sold as cows with calves at foot. However, these twelve heifers will sell as separate lots. They are very choice and their pedigrees sparkle with the best blood of the breed.

B F Princess Royal A—This is the heifer that we bought at the Shorthorn Club banquet. She was bred at Broadfields Farm and is a daughter of Broadfields Air Pilot, the son of Bapton Air Pilot that has recently been purchased by Purdue University. She sells open.

From left to right: Sni-A-Bar Gloster 56th (Lot 42), Sni-A-Bar Generosity 12th (Lot 41), Sni-A-Bar Sylvia 14th (Lot 138), and Comrie Nonpareil (Lot 139).

The next sixty-four animals listed in this catalog . . . from Lot 138 through Lot 201 . . . are cows. Here are the cows that have been making history at Sni-A-Bar Farms! Here are the cows that have been held back because of their rich ancestry and utmost dependability! Here are the cows that have never been priced! Thirty-seven of them have calves at foot and many of these cows are heavy in calf again. Six sell with calves at foot by Imp. Pittodrie Upright; seven will have calves at foot by Imp. Uppermill Comrade; nine will have calves by Edellyn Campeon Mercury; six will have calves by Sni-A-Bar Control; and nine more have calves by the other great Sni-A-Bar herd bulls. Twenty-six cows are now dry. Thirteen of these are carrying the service of Imp. Pittodrie Upright and thirteen are bred to Imp. Uppermill Comrade. No effort has been made to put these 64 cows in high flesh condition. They will sell in their working clothes. Some of the best buys of the sale are in this group.

Fair Acres Lassie—Sells with a very choice red heifer calf at foot, dropped February 5, 1947 and sired by Browndale Gift.

So that the polled branch of the Shorthorn breed might be benefited by the blood of the noted Perth supreme champion Imp. Pittodrie Upright, the owners of Sni-A-Bar purchased two very good Polled Shorthorn heifers and mated them to this great bull. They are Lots 202 and 203 in this catalog. Both are well forward in calf.
